Old Business:

New Business (Public Comments):

Rick Mazzarini - Have not seen any field improvements for Hamilton Field. Although the 13/14 yr olds still have a few practices there all games/practices have been moved to Green Tree due to poor field conditions. A primarily Castle Shannon team will now have to drive to Green Tree for games and practices. They were able to practice on Green Tree fields on Saturday after a rain on Friday night, it's Tuesday and the field has not been dragged. We cannot be 4 or 5 days behind everyone else. The grass on the day it is cut it is too high. Gang boxes are at end of life as they are ready to fall forward. Drainage is still an issue. Please do something for your older kids in the community at Hamilton field and work on getting Hamilton Field repaired.

Vince Smith made a motion to adjourn at 7:36pm; Joe Willson seconded the motion; all in favor, motion carried. Next meeting will be on Tuesday May 18<sup>th</sup> at 7:00pm in the CSYA Meeting Room A.
